

Built with
TATA STEEL

Built to Last. Designed to Belong.

No rust. No fuss.

Minimal upkeep

Sleek, clean finish

Made to measure

Withstands any weather

Every Opening Matters

We don't just make doors and windows. We build strong, clean lines that define space without shouting for attention. Silent. Solid. Seamless. That's MechArt.

More Than a View Windows by MechArt aren't just frames

No creaks. No cracks. Just strength.

Made with TATA STEEL. Built without compromise.

Why Steel. Why MechArt.

Wood

Durability

Warp, cracks, attracts pests

Weather

Expands & shrinks

Upkeep

Frequent care needed

Lifespan

Short-lived
